

Auto Insurance

Is your client driving to Mexico? CenCal provides access to four of Mexico's top insurance carriers. Everything is online, and the entire quote and application process can be done in just a few minutes. Each Carrier offers a standard and extended coverage program with daily, six month, and annual rates. Payment is collected via client credit/debit card or you can sign up for agent issue options to allow you to collect cash or check. Want to put a link on your site to allow clients to quote and buy online (at the same commission rate to you)? CenCal can make that happen too! See below for more highlights, log into CenCalins.com, or call us today at 877-774-2868.
